

Driveway/Entrance Permit
Town of Greenwood, Maine

A Driveway/Entrance permit is required to be obtained from the Town of Greenwood before any private road or driveway is connected to a town public way. Such private road or driveway shall be connected in such a manner as to meet approval of the Road Commissioner and Road Foreman and the requirements as stated in the Town of Greenwood Driveway/Entrance Permit Policy. The owner is responsible for the first installation of the pipe/culvert. The Town is responsible for routine maintenance.
